                                                                                                                          |    |    |    |    |    |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |    |    |    |    |    |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |    |    |    |    |    |    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |    |  |  |  |  |  |

II. Responde las preguntas **presionando** la alternativa correcta.

a) En **octubre**, Matías jugará a la pelota todos los sábados. ¿Cuántos sábados jugará en total?

3

5

b) Si hoy es lunes 10 de **mayo**. ¿Cuántos días faltan para que sea viernes 21 de **mayo**?

13

11

c) Según el calendario. ¿Cuántos meses tienen 30 días?

4

7

d) ¿Cuántas semanas tiene el mes de **marzo**?

5

4

e) ¿El último día del mes de **junio** es...?

Miércoles

Lunes
