

U2

Stuck in a moment you can't get out of

I'm not _____ of anything in this world
There's nothing you can throw at me that I haven't already heard
I'm just trying to find a decent _____
A song that I can sing in my own company

I never thought you were a _____
But darling, look at you
You gotta stand up straight, carry your own _____
These tears are going nowhere, baby

You've got to get yourself together
You've got stuck in a moment and now you can't get out of it
Don't say that later will be better now you're stuck in a moment
And you can't get out of it

I will not forsake, the colors that you bring
But the nights you filled with _____
They left you with nothing
I am still enchanted by the light you brought to me
I listen through your ears, and through your _____ I can see

And you are such a fool
To worry like you do
I know it's _____, and you can never get enough
Of what you don't really need now ... my oh my

You've got to get yourself together

You've got stuck in a moment and you can't get out of it

Oh love look at you now

You've got yourself stuck in a moment and you can't get out of it

I was unconscious, half asleep

The water is warm till you discover how _____

I wasn't jumping for me it was a _____

It's a long way down to nothing at all

You've got to get yourself together

You've got stuck in a moment and you can't get out of it

Don't say that later will be better now You're stuck in a moment and you can't get out of it

And if the night runs over

And if the day won't last

And if our way should falter

Along the stony pass

And if the night runs over

And if the day won't last

And if your way should falter

Along the stony pass

It's just a moment

This time will pass
