

1 - Listen to a teacher giving a student instructions. Which of the things (A–E) does she have to do?

- A Describe each photo in detail.
- B Talk about the differences and similarities between the two photos.
- C Explain the advantages of doing sport in general.
- D Say how the people in the photos benefit from doing their sporting activities.
- E Tell the teacher which sport she enjoys and how she benefits from it.

2 - Listen to the student talking about the photos. Which of the words or phrases in the previous exercise does she use?

- | | | |
|--|--|---|
| <input type="checkbox"/> physical exercise | <input type="checkbox"/> lonely | <input type="checkbox"/> social skills |
| <input type="checkbox"/> competitive | <input type="checkbox"/> energetic | <input type="checkbox"/> calm and content |
| <input type="checkbox"/> sociable | <input type="checkbox"/> peaceful | <input type="checkbox"/> nice scenery |
| <input type="checkbox"/> fresh air | <input type="checkbox"/> athletic | <input type="checkbox"/> friendships |
| <input type="checkbox"/> be indoors/outdoors | <input type="checkbox"/> reduce stress | <input type="checkbox"/> equipment |

3 - Choose the correct words to complete the sentences.

- 1 From their body language, the boys appear tense, so the coach **may / can** not be very happy with them.
- 2 It **looks / looks like** relaxed and informal.
- 3 They've **probable / probably** known each other for quite a long time.
- 4 The other team **couldn't / might** not be an easy opponent to beat.
- 5 It **looks like / looks** he's feeling tired.
- 6 I **get / take** the impression that they're playing just for fun.
- 7 They may **had / have** already lost to the other team before.

4 - Choose the best word to complete this student's answer.

Well, the first thing to ¹..... is that it ²..... like the same activity of basketball, although you can't see any ³..... in the first picture, so it could be a different sport. Unlike the second picture, the team are playing indoors and you can see the rival team in the ⁴..... The group of friends seem to be enjoying being outdoors in the fresh air. The ⁵..... difference between the two groups is the reason for playing. In the first picture, it's ⁶..... a competitive situation, but in the second the group are playing just for fun. For the friends, the biggest ⁷..... is just being in each other's company and ⁸..... some exercise. It probably doesn't matter who wins. On the other ⁹....., for the team the score is likely to be the most important thing. From their body language, they ¹⁰..... to be listening to the coach very carefully. Maybe he is giving advice on how to ¹¹..... their opponents. Playing in a competitive way like this is ¹²..... for increasing your motivation and possibly your fitness too. It's also very important for team-building.'

5 - What question was the student asked in Ex. 4?

Compare the pictures and say ...

- A how you think these different groups of people are feeling.
- B what you think the advantages are of doing sport in these different ways.
- C why these people have chosen these places to spend time together.
