

## **The Words**

### **Sight word Words**

I write the words on the papers with a yellow pencil. I write one word on the blue paper. I write two words on the orange paper. I write three words on the green paper. I write four words on the red paper.

1. How many times do the words appear in the passage?
2. What color do you write with 2 words?
3. What color do you write with 3 words?
