

Patched things up

Split up

had a falling out

went downhill

hit the nail on the head

fall apart

behind her back

Karen started talking about Lilian, she was criticizing her which I believe was unfair.

Marco and Marian They had a really strong argument that made their relationship

Yesterday, Daniel with his mother. He arrived really late and discussed and yelled at each other. Fortunately, this morning they apologized and

Since they had that argument, things never were the same. What's more, It till the point that they hate each other.

I believe they broke up because of his attitude. I believe you Yesterday, she told me that was the reason they split up.
