

A GOOD DEED

Select the correct answers.

Last Friday, the members of the Interact Club decided to 1. (rise / raise) money in aiding the flood victims. Helmi and his friends, Sean, took 2. (up / out) the challenge. They decided to wash their 3. (teachers' / teachers) cars. They brought along some pails, a hose, a few bottles of car shampoo and a few sponges.

A day before, Helmi and Sean went 4. (around / round) to the school asking teachers if they would like to have their cars 5. (washing / washed). The 6. (response / respond) was encouraging. Many of the teaching staff had given their support in 7. (aid / aids) of the flood victims.

Helmi sprayed some water 8. (at / over) a Proton X70 car, which belonged to Puan Anita. He washed it 9. (thoroughly / thoroughly) with some car shampoo. Sean helped to clean the tyres. Even it was 10. (a / an / the) labourious task, both the boys took the challenge well. Later, other members came to help them out. By 12.30 p.m., after five hours of hard work, they managed to wash one hundred cars.

Sean later went to the 11. (respective / respectively) teachers to collect money for the car washed. The money collected was well-kept in a money box. Helmi then reported the 12. (earning / earnings) to his club adviser, Madam Hoh.

The next day, Madam Hoh brought Helmi and Sean to the New Straits Times Press. On behalf of the Interact Club, they were able to donate RM2000 to the flood victims. They were happy and proud of their achievement.
