Home Alone

A movie review by Joe Morgan

My favorite movie is Home Alone. It's a comedy. The story is about a boy named Kevin McCallister. He's left at home when his family goes on vacation. Kevin has a lot of adventures while he's home alone and he helps to catch two bad men who are trying to get into his house to steal things.

The movie's director is Chris Columbus and the two bad guys, Harry and Marv, are played by Joe Pesci and Daniel Stern. They're both good actors and they're very funny. My favorite actor in the movie is Macaulay Culkin - he plays the part of Kevin.

I like the movie because it's very funny. I think this is a movie for everyone to watch. Go and get it from your video store today!
