## Everyday English

**6 For each situation (1-3) choose the appropriate response circle (A, B or C).**

- 1 Your friend is planning a trip to the science museum. You want to go with him/her. What do you say?**
  - A Who are you going with?
  - B Where are you going?
  - C Can I go with you?
  
- 2 You are not going to be able to attend a lecture. Inform your friend.**
  - A I won't be there.
  - B Probably not.
  - C I'm sure I'll be there.
  
- 3 Your friend asks you what you are doing at the weekend. How do you respond?**
  - A I don't really know.
  - B I don't think so.
  - C Not really.

## Reading

**7 Read the text below, from which four sentences are missing. Complete the gaps (1-4) with appropriate sentences (A-E). Write appropriate letters (A, B, C, D or E) in the gaps. One sentence is extra and does not match any of the gaps.**

### Technology's Toddlers

Children today have access to many different forms of technology but most companies design their products for adults, or do they? One company recently launched a product for much younger people. **1)** ..... The phone is very simple. **2)** ..... It has no Internet access or text messaging service and parents decide which numbers their child can call. Some people believe that targeting children this young is dangerous. **3)** ..... They also believe that using mobile phones could damage the health of very young children. However, the company producing the phone claims it is a safe way for parents to keep in touch with their children. **4)** ..... So what do you think? How young is too young to have a mobile?

- A It doesn't even have a screen.
- B Buying a mobile for their children at this age could cost parents more than just money.
- C They developed a mobile phone for 4 year olds.
- D It allows them to contact their children without worrying about the other dangers that come with mobile phones.
- E They say that it is just a way of getting them hooked on technology at an early age.

## Listening

**8 You are going to hear four speakers talking about their gadgets. Read the sentences below. Match the statements (A-E) below to the speakers (1-4) and write the appropriate letter (A, B, C, D or E) in the right box. You will hear the speakers twice. One sentence is extra and does not match any of the speakers.**

- A I was happier with the way things used to be before all this technology.
- B I now have something that is smaller than what I used to have.
- C I use my gadget for work and pleasure.
- D My gadget does everything I need it to for the moment.
- E My gadget allows me to communicate with other people in different ways.

1	2	3	4

## Writing

**9 Write an email to your English-speaking e-friend, Julie, (50-100 words) telling her that you are going to spend your summer holidays helping out at a National Marine Park in Greece. In your email:**

- describe the place you are going to.
- explain what you will do there.
- tell her when you are coming back.

<b>To:</b>	Julie@supernet.org
<b>From:</b>	user05@hotmail.com
<b>Subject:</b>	My holiday
