Superheroes Wear Tights

Follow

We can see in comics or movies that superheroes and villains **wear** special clothes. For example, Superman wears a cape. Sometimes they wear a mask to hide their identities like Batman. Many superheroes wear accessories - for example, Wonderwoman **wears** a tiara. The special clothes superheroes and villains wear bases on the clothes people in the circus (acrobats and strongmen) wore in the past.

The circus outfit is still present. New superheroes from tv-series and movies also wear bodysuits and capes. They don't wear ordinary clothes to fight against bad guys.
