

ACTIVITY 1.05

Look at this diamond nine grid which ranks some of the global issues that the world is currently facing. The most important one from this person's perspective is unemployment, which is at the top. Of equal importance underneath are population growth and disease. The issue this person thinks is the least important is at the bottom (crime).

```
graph TD; U[Unemployment] --- PG[Population growth]; U --- D[Disease]; PG --- L[ Lack of clean water ]; PG --- FP[ Food poverty ]; D --- FP; D --- W[War]; FP --- FS[Fuel shortages]; FP --- M[Migration]; L --- C[Crime]; W --- C; FS --- C; M --- C;
```
